## **Limited production:**

8.000 bottles

## **Alcohol content:**

14 %vol

## MATELOT 2021

## **Wine profile:**

Keeping things simple is one of Matelot's keys to focus your attention in its exuberance. Matelot is fresh fruits and land in a pure state. An honest and original wine to share all year round, ideal as an aperitif or to accompany a hot summer afternoon.

## **Tasting notes:**

Straw yellow colour. Fresh in the nose with tropical fruits, melon and green apple notes. Cedar's resin nuances and so elegant minerality. Meaty and round in mouth, subtly sweet, broad and well balanced. Long after tasting with a bitter note.

## **Wine Pairing**

Ideal with fatty fish, cured cheeses and creamed vegetables.
